

Inclement Weather Policy

January 2016

**Eaton Valley
Primary School¹**

Statement of intent

It is the aim of Eaton Valley Primary School to ensure the school remains open during adverse weather conditions, when practically possible, providing that this can be done in a safe manner.

Eaton Valley Primary School intends to, wherever possible, make the decision to close the school before the teaching day commences, rather than defer the decision and delay the opening of the school.

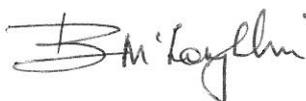

The purpose of this policy is:

- To make the appropriate procedures clear, in relation to operating the school during adverse weather conditions.
- To make clear the grounds for a school closure due to adverse weather conditions.
- To advise and inform staff and parents/carers of the systems and procedures in place in the event of a school closure due to adverse weather conditions.

Signed by:

Headteacher

Chair of governors

1. Decision to close

- 1.1. The decision to close the school will be made by the headteacher.
- 1.2. The site manager and the chair of governors will be consulted when making a decision about school closure.
- 1.3. In the absence of the headteacher, the deputy headteacher will assume the responsibility of the headteacher in relation to the Inclement Weather Policy.

 - Conditions on site are considered to be unsafe and are likely to give rise to danger to users of the site.
 - Staff numbers are insufficient for the school to be operated safely.
- 1.5. In the event of school closure:
 - The headteacher will inform staff and parents/carers via text message. (Teachers2parents)
 - The headteacher or ICT support staff will post an update on the school website.
 - The site manager will display 'closure' signs on the school's entrance gates.
 - The headteacher will email BRMB radio station. It is noted that parents/carers will have been previously made aware that announcements concerning the school will be broadcasted via BRMB.
 - The headteacher will inform the Local Authority of the closure. This information is then posted on the Local Authority website.
- 1.6. In the event of the school having to close during the day, parents/carers will be contacted via text message or telephone, using the number provided on the emergency contacts list, and asked to collect their child from the school.
- 1.7. A closure of the school during the day and an early release of staff will only be contemplated in extreme circumstances.

2. Remaining open in adverse weather conditions

- 2.4. During periods of adverse weather conditions, the playground may be out-of-bounds to pupils and parents/carers, at the headteacher's discretion.
- 2.5. All persons entering the school's buildings are asked to ensure they wipe their feet thoroughly, in order to reduce slip hazards.

3. Health and safety

- 3.1. Eaton Valley Primary School has a duty of care to anyone accessing the site and surrounding grounds.
- 3.2. Eaton Valley Primary School will be liable if it is found that the school has been negligent in its responsibilities and has not taken all reasonable measures, given the circumstances, to ensure the health and safety of pupils, staff, visitors and parents/carers entering the school site.
- 3.3. The headteacher is responsible for ensuring safety on the school site, in accordance with the school's Health and Safety policies and procedures.

- 3.8. A risk assessment of the site will be conducted in order to assess any potential hazards due to the weather conditions.
- 3.9. Closing the school is a reasonable decision if pupils or staff are at risk of serious injury due to the weather conditions.
- 3.10. When roads are impassable, the health and safety issue is overridden by the practical issue of access.

4. Limited staff numbers

- 4.1. During periods of adverse weather conditions, the school will be flexible with teaching when subject to reduced staff numbers.
- 4.2. In order to comply with health and safety regulations, different age groups may be brought together to be taught under the supervision of the available teachers and support staff.

- 5.4. Parents/carers acting on the assumption that the school would be closed, without gaining confirmation, or failing to inform the school of the circumstances that prevent the child coming into school, risk their child's absence being registered as an unauthorised absence.
