

Eaton Valley Primary School

Motto

'Pride in all we do'

Our school motto was devised by our School Council during the academic year 2016-2017 and encapsulates the ethos of the school.

Mission Statement

We will provide a welcoming and caring school community in a safe, healthy, happy and secure setting. This will be characterised by our resolve to provide a stimulating, challenging, high quality learning environment, which promotes respect and tolerance in order for all involved to fulfil high expectations.

Vision

It is our intention to :-

- Build positive partnerships with parents, carers and the local and wider community.
- Provide a curriculum which reflects our high expectations for all pupils and wherein pupils are the drivers of learning.
- Lay firm foundations for life-long learning through our high quality teaching.
- Foster high standards in academic achievement, behaviour, relationships with other children and adults and in aspects of work and play.
- Provide opportunities for learning to be enhanced both indoors and outdoors as well as through meaningful and relevant application of computing and technological skills for the future.
- Offer a range of opportunities for pupils to develop healthy bodies and minds, taking responsibility for their own wellbeing as well as that of others.
- Demonstrate respect, tolerance and understanding whilst celebrating diversity.
