

Pupil Premium

Purpose

The Government believes that the Pupil Premium, which is additional to main school funding, is the best way to address the current underlying inequalities between children eligible for free school meals (FSM) and their peers by ensuring that funding to tackle disadvantage reaches the pupils who need it most.

The Pupil Premium is allocated to schools to work with pupils who have been registered for free school meals at any point in the last six years (known as 'Ever 6 FSM').

Schools also receive funding for children who have been looked after continuously for more than six months, and children of service personnel.

Accountability

The Government believes that head teachers and school leaders should decide how to use the Pupil Premium. They are held accountable for the decisions they make through:

- the performance tables which show the performance of disadvantaged pupils compared with their peers
- the new Ofsted inspection framework, under which inspectors focus on the attainment of pupil groups, in particular those who attract the Pupil Premium
- the new reports for parents that schools now have to publish online

Funding

Eaton Valley Primary School have 118 pupils eligible and will receive £155,760 for the financial year 2016/2017. This money must only be spent on those children that are eligible for the funding.

The Governing Body have decided to spend the money on interventions such as booster classes, 1 to 1 tuition, breakfast club, holiday clubs, residential visits, uniform, milk provision and employing additional staff for small group work. These interventions will be analysed and evaluated throughout, governors will closely monitor the impact of these interventions and will be adjusted accordingly throughout the year if applicable.

Pupil Premium Spending 2016/2017

Funding amount received from

Local Authority :

£155,760.00

Total:

£155,760.00
